

# FHS Class of 1968 Gift Donation Form

The Class of 1968 hopes to make a 50<sup>th</sup> Year Reunion Class Gift to Fulton Public Schools on our reunion weekend and we hope you'll want to participate. No gift is too small. If you wish, you may make your gift **in honor of** a favorite teacher, a best friend, or a family member; or **in memory of** a loved one or classmate no longer with us. Donors will be listed in reunion and/or Foundation materials unless you advise otherwise (see below).

Our gift will go to the Fulton Public Schools Foundation, a 501(c)(3) non-profit organization that is separate from the school district. It is dedicated to enhancing and enriching the educational experiences for students in the public school system. It provides classroom grants to assist teachers in providing unique learning experiences to students as well as funding other items from the school district wish list. Please consider a donation and help give something back to Fulton's public schools. **Our goal is \$6,800 for the Class of 1968.** Deadline to receive gifts and be listed for recognition is August 31, 2018.
