

Fulton Public Schools Foundation 2019-20 Classroom Grants

Classroom Grant	Amount	Description
Trauma Informed Teacher Equals Safety, Connection, and Learning <i>FECC</i> Kara Wilkerson and Abby Quick	\$500	With the funding secured from this grant FECC will purchase needed written materials, resources, equipment and literature that seek to assist the teacher in providing aid to the students in their classroom that have experienced trauma.
Growing the Minds of the Future: Community-Based Learning with Field Trips for Kindergarten <i>Bartley School</i> Katie Cauwenbergh and Robyn Frame	\$500	Kindergarten teachers will take students on educational adventures around the community to provide them with authentic learning experiences. The wide variety of field trip experiences will offer opportunities for learning and achievement in all subjects.
Mondays at McIntire <i>McIntire School</i> Kacie James, Melissa Milius, George Sharp, Becky Diekamp, Amy Crane	\$1000	This after school club involves staff, students, and families to share hobbies and interests while assisting students struggling in math and reading. Students will be able to explore their talents and find avenues for success in a fun environment.
Motor Lab <i>McIntire School</i> Mallory Morice and Alison White	\$1000	This project will provide the establishment of a motor lab to offer a variety of physical activities to address the classroom learning readiness and mastery of students' environment through stimulation each child's sensory systems.
Fabricator Fridays with Project Extra <i>FPS DISTRICT- PreK-2</i> Camille Webb	\$1000	This project will bring STEM, STEAM, and Novel Engineering to our PreK-2nd grade classrooms across the district by integrating engineering and literacy.
Cross-Curricular Dinner Theater (CONTINUATION YR 2) <i>Fulton Middle School</i> Bethany Moebes	\$1000	This cross-curricular project based program will spotlight the creativity of students while extending learning from all subject areas. From writing the text and music to performing a fully staged musical, this experience will draw on students' creativity, innovation while promoting positive community ties.
FMS Celebration Bus! <i>Fulton Middle School</i> Trish Alexander, Stephanie Horstmeier, and Meg Plybon	\$500	This opportunity will allow FMS to build positive relationships and communication with students, families and the Fulton community by actually taking students' celebration to their homes on the FMS Celebration Bus..
Tower Garden in the Kitchen <i>Fulton High School</i> Lori Doerhoff	\$1000	<i>Nutrition</i> class students will utilize the Tower Garden in the FACS kitchen and be able to grow their own vegetables and herbs to use in the foods lab setting and <i>Foods</i> class students will use them in recipes.
Piano Lab Part 2 (CONTINUATION YR 2) <i>Fulton High School</i> Laurey Lehman	\$500	The <i>Piano Lab</i> is course at FHS that allows students to expand their knowledge of the piano, including music theory, technique, sight reading, and playing styles.
