From the President — Doc Kritzer

The Fulton Public Schools Foundation has shown continued progress during 2022 in creating an awareness in the community that we exist. Our mission is to raise money to support and enhance the experience of our students in the Fulton Public Schools. We accomplish this goal in several ways:

We hold two major fundraising events each year. First, our 7th annual Gala was held in April with Verdis and Moriah Lee serving as Honorary Chairs. Two deserving alumni were inducted into the Alumni Hall of Fame. They were Dr. David Durst '73 and Michael Kim '82. The Educator Hall of Fame welcomed two new members with Principal, Bob Hogan and Algebra teacher, Joan Sampson. Our 8th annual Gala is scheduled for April 1, 2023. Mark your calendar to "save that date" for another celebration of outstanding alumni and educators. This event also showcases the grant recipients and teachers for innovative ideas in their classrooms that are funded by the Foundation, totaling $10,000.

Our second major event was the 4th annual golf tournament, generally held on Homecoming weekend. We had 16 teams in 2022, and this event netted over $7,000 in profit. It was a great day of fun and beautiful weather for October. Plan to join us in 2023 as there is still room to expand our teams. Several teams are made up of reunion class members returning each year to play.

But most of our money comes from the generous alumni and business donors that support the Foundation annually that allows us to award over $12,000 in scholarships to graduating seniors. Investment earnings from the Avra Trust received in 2021 accounted for a large portion of those funds this year. The Foundation also supports Academic Week with $3,000, provided breakfast for 26 new teachers to FPS this year, and provides an employee appreciation breakfast around Christmas. We thank each of you and greatly appreciate all our many donors that allow us to support the teachers and staff in all our schools. As the year rapidly draws to a close, please consider the Fulton Public Schools Foundation as a deserving community organization for your year-end giving. Thanks again and hope to see you at the Gala.

Sincerely,

Doc Kritzer

Announcement

After four years with the Foundation, Kathy Richey Liddle has resigned from her position. The Executive Board members interviewed a number of very qualified candidates.

We are excited to announce that Jennifer "Scout" Gibson started on November 1st as the Executive Director of the Fulton Public Schools Foundation. Scout's background with non-profit organizations and fundraising combined with her event planning skills and working with volunteers within the community set her apart from the other candidates.

Scout Gibson

THANK YOU TO OUR SUPPORTERS LAST YEAR!

Our sincere THANKS and appreciation to the following individuals and companies who supported the Foundation, at the Hornet Foundation Circle Level, during 2021.
We would also like to thank all other donors that contributed to the Foundation to help us fulfill our mission.

NEW MIDDLE SCHOOL LIBRARY FURNITURE

The Fulton Public School District has a “wish list” of items that they would like to purchase but are not covered in the budget. The Middle School Library furniture was old, in bad shape and needed to be replaced. The Foundation provided funding for more than 60% of the cost of the new furniture .

Thank you to our donors for making this possible!

CLASSROOM GRANT RECIPIENTS

Congratulations to these FPS teachers for being awarded Fulton Public Schools Foundation classroom grants for the 2022-23 school year!

Classroom Grants - Funding the Future

12 Foundation grants are being funded during the 2022-2023 school year

Broadway Bound
Fulton Middle School
Cami Webb

Project Extra and the FMS Choir department will team up and expose students to quality theater performances at the Fox Theater and University of Missouri. The project is intended to expose/introduce students to the world of theater and possibly peak their interest.

ELL Program
Districtwide
Janet Trowbridge

This project will fund additional resources to be used with instructing non-English speaking students. These students are enrolled at various levels across the district, most recently coming from Afghanistan. These materials are intended to maximize their learning opportunities and teach basic English skills, so they are able to move forward in their grade level curriculum.

Empty Bowls Fundraiser
Fulton High School
(Continuation-Year 2)
Megan Davis and Bee Brookes

Students will create food-safe ceramic bowls in their FHS art classes. During the FHS Fine Arts Night, attendees may contribute $10 for soup in their choice of these bowls. They may keep the bowl and the proceeds of the fundraiser will go to the local food bank.

Exploring Missouri History
Fulton High School
Matthew Greble
and Julie Lichtenstein
*Ed and Jean Avra
Classroom History Grant

Students in the US History Honor classes will have the opportunity to interact with Missouri history and have firsthand experience of local government by touring the Missouri State Capitol, Governor's mansion and America's National Churchill Museum. Research of the art in the Capitol would be done prior to the trip, allowing students to see Missouri art that reflects their state's history and culture.

Handwriting Without Tears
Bush School
Jacque Sample

This project will support students who currently receive occupational therapy services for fine motor skills, including, but not limited to, handwriting. Students will be provided with intensive training and practice in handwriting. Materials for a specific, well known, and widely utilized handwriting program would be purchased. The intent would be to improve overall handwriting skills and academic participation.

Empty Bowls Fundraiser grant:

Students are busy creating ceramic bowls. At the FHS Fine Arts Night later this school year attendees can eat soup and take the bowl home with them for a contribution of $10. Proceeds from this fundraiser will go to the local food bank.

Making Mornings Meaningful with Morning Tubs
Bartley School
Mackenzie Austin and Summer Woodside

Third grade students will be provided with STEM activities and supplies to be used in "morning tubs." Choice tubs would be provided to offer play-based opportunities for students to explore, create, and communicate with peers as they start their day.

McIntire Science Club/McIntire Einstein
McIntire School
Sky Fischer and Holly Bell

This project is a science club that will meet once a week. Students will further their knowledge in science by completing experiments either as a whole group or in small groups, paired with whole group discussions on what was learned/observed. Participants would include 3rd through 5th graders who voluntarily sign up.

Meltdown To Mindfulness: Providing Tools to Self-Regulate in the Classroom
Bartley School
Katie Cauwenbergh

This grant will provide a kit for every classroom. The kit will hold items to help students who are feeling overwhelmed/anxious/ nervous regain their composure and return to learning without leaving the classroom.

Not All Classrooms Have Walls: Gearing Up Our Hornets for Learning
FECC
Shannon Forbis and Abby Quick

This project will supply waterproof jumpsuits and boots for students to wear outside when there are wet conditions. This attire will provide students the opportunity to explore, discover, and investigate their outside world safely, while building on authentic learning experiences.

Striking it Rich: Igniting a Lifetime Love of Movement
Fulton Middle School
Megan Youse

This project will enhance the striking curriculum with the addition of Badminton as well as incorporating updated equipment to the existing units of Pickleball and Ping Pong.

Unlock the Creative and Critical Thinking
Fulton Middle School
Cami Webb

Students will utilize Breakout Boxes, Exit games and critical thinking games to analyze problems and situations. They will work collaboratively to try to solve the problems while working to complete a task in a specified amount of time.

We're Going on a Fieldtrip
Bartley School
Leslie Collins

Kindergarten students will take educational adventures around the community to provide them with authentic learning experiences. The various field trips will cover several of the learning standards through communication, reading and writing.

Reunion gifts - Where does your money go?

Using donations wisely to enhance student learning is a key focus of the Foundation and classroom grants are a cornerstone program of our organization. Class reunion gifts help fund these grants. The classroom grant projects bring innovation, expanded learning opportunities, and unique learning experiences to Fulton Public School students. So far, through generous donations, the Foundation has funded in excess of 120 classroom grants totaling more than $100,000.

The class of 1972 met over homecoming weekend, October 7 & 8, 2022, to celebrate their 50th class reunion.

Class of 1977 gathered to celebrate their 45th class reunion on October 7, 2022.

These funds will go toward classroom grants next school year. The Foundation could not accomplish such great things for the students in the Fulton School District without you!

The Foundation manages and funds several scholarships. These awards are given each spring. If you would like to donate to one of these scholarships or endow a new scholarship fund contact us for more information. Congratulations to the following students that received scholarships in May of 2022.

Curtis Humphreys

The Sylvia K. Blattner Scholarship Award
was established in 1962 by Curtis E. Blattner in memory of his wife, Sylvia, and has been awarded since that time. Students are selected who have a desire and ability to achieve a college degree, show good citizenship and possess leadership skills. The Fulton Public Schools Foundation serves as the manager of these funds.

The 2022 recipient of the Sylvia K. Blattner Scholarship Award was Curtis Humphreys. Curtis is attending Missouri S&T.

Moriah Nichols

The Jack Garner Memorial Music Scholarship
was established upon the death of Jack Garner, a former Fulton High School music teacher, in 1986. The scholarship is for a graduating senior of the Fulton High School who declares an intention to study vocal music in College, including vocal music education. The Fulton Public Schools Foundation is pleased to serve as a manager of these funds.

The 2022 recipient of the Jack Garner Memorial Music Scholarship was Moriah Nichols. Moriah is attending Central Methodist University.

Alex Trowbridge and Curtis Humphreys

The Fulton Public Schools Foundation Scholarship

is funded by the Fulton Public Schools Foundation. Requirements for this scholarship include attendance at an accredited college, university or technical school, have a minimum cumulative GPA of 2.5, and maintain a minimum of 90% attendance rate.

The 2022 Fulton Public Schools Foundation Alumni Scholarship recipients were Alex Trowbridge and Curtis Humphreys. Alex is attending Missouri State in Springfield and Curtis is attending Missouri S&T in Rolla.

The Ed and Jean Avra Scholarship

was established upon the death of Jean Avra and 2022 was the first year that the Ed and Jean Avra Scholarship was awarded. Recipients of the scholarships are to be graduating seniors of Fulton High School who announce an intention to enter the teaching profession and plan to attend a Missouri 4-year institution of higher education. The recipients of the Ed and Jean Avra Scholarships this spring were Emma Hamilton, Josh Soltvedt and Grace Siegel.

Emma is attending Northwest Missouri State University, Josh is attending William Woods University and Grace is attending Missouri University in Columbia.

Emma Hamilton

Josh Soltvedt

Grace Siegel

The Helen Rentschler Forsee Scholarship

was established upon the death of Helen J. Forsee on August 10, 2022. Helen was a 1952 graduate of Fulton High School.

The Fulton Public Schools Foundation was appointed as the manager of these funds and will award the first recipient of the Helen Rentschler Forsee Scholarship this coming spring. The scholarship will be awarded to a FHS senior planning to attend a two or four year college, or vocational school who has demonstrated outstanding academic ability and character traits.

Helen J. Rentschler Forsee

Scholarship Applications? Where and how to apply?

Fulton High School seniors should check with their counselor's office to get applications for all scholarships available. Applications for the scholarships managed by the Fulton Public Schools Foundation will be available the first part of January 2023.

On April 2, 2022 the Foundation Gala was held at Westminster College. The following members of the Fulton Public Schools Foundation Alumni and Educator Hall of Fame were inducted.

FPSF Alumni Hall of Fame Inductees

Michael Kim

Michael Kim, FHS '82, is an award-winning journalist with more than 25 years of experience. In high school Kim was very active in sports including football, baseball and basketball. He continued his baseball career at Westminster College and graduated from there in 1987. He went on to earn his masters in journalism from the University of Missouri in 1991. Kim worked at News Channel 8 in Springfield, Virginia and then joined ESPN. After 17 years, he left ESPN and joined 120 Sports/Stadium in 2015 and currently is an anchor/host on multiple platforms for Stadium, Marquee Sports Network and Bally Sports. Kim has won many honors including an Emmy for sports reporting.

David Durst, FHS '73, earned a Curator Scholarship while in high school and then attended the University of Missouri in Columbia. He entered the University of Missouri medical school in 1977, did his residency in general and plastic surgery at the University Hospital in Lexington, Kentucky. After residency he and his family moved to Huntsville, Alabama where he joined a group practice in plastic surgery. After two years, he went out on his own and since then has been in private practice in Huntsville. He is involved in many hospital committees and was the first chairman of the trauma committee at Huntsville Hospital.

Dr. David Durst

FPSF Educator Hall of Fame Inductees

Bob Hogan

Bob Hogan was inducted posthumously into the Educator Hall of Fame. He taught 5th grade in Hannibal while completing his Master's degree at Northeast Missouri State University. He became the principal of La Grange and Ewing Elementary Schools in Lewis County, MO. In 1986 the Hogans moved to Fulton where Bob was principal at Center School, McIntire School and for one year at Fulton High School. Bob wrote several grants and instituted after-school tutoring programs at McIntire. In 1999 Bob was named Missouri's National Distinguished Principal. Bob was very involved with the community.

Mrs. Joan Sampson attended high school in Auxvasse, MO. She began her teaching career at the Fulton High School in 1955 where she taught for 30 years. Mrs. Sampson taught Algebra and some additional general mathematics courses. She was best known for patience to explain the details and helping her student understand the subject of Algebra. She also tutored many students to give them the extra help they needed.

From the Superintendent — Dr. Ty Crain

It has been an amazing school year so far with the first semblance of normalcy during my tenure as superintendent. Student enrollment continues to recover toward pre-pandemic levels and activities are back to normal. Staffing continues to be a challenge in education just as it is in other industries. The shortage of teachers is a reality and unfortunately even as steps are being taken to increase the numbers, it will take time. Regardless of the challenges, the staff at FPS continue to go above and beyond to serve students and ensure they are prepared to function as successful, responsible, and productive citizens.

I noted the improvements made to the elementary schools last year and that we were beginning work on the high school project. To date, there has been a new parking lot added to the East side of the high school with over one hundred parking spots. It was also painted for the band to utilize for field show practice. The new construction and renovations are ahead of schedule. The theater renovations are complete and ready to be showcased at the fall play. Plumbing and electrical across the building are almost complete and we hope to utilize the new construction this school year. This includes a new theater lobby, a second gym with additional restrooms, and administrative offices at the new secure entrance. Construction has also begun at Fulton Middle school on additional classrooms. When completed the project will also include a secure entrance, plumbing, and electrical upgrades, along with renovations in the building to classroom doors and addressing some of the smallest classrooms. These projects are going to allow us to better serve our students today and long into the future.

The Fulton Board of Education adopted a new strategic plan almost a year ago to guide administration and staff with a focus on continuous improvement. Some of the progress to date includes comprehensive plans for communication, facilities, technology, and professional development for the administration and the Board of Education. Lastly, as part of continuous improvement, an attendance awareness campaign was launched this year, “Invest In Yourself: Attend Today, Achieve Tomorrow”. Attendance directly impacts the ability of our students to be successful academically and in the future. It is an exciting time to be a Hornet and Fulton Public Schools continues to focus on improvement and success for all students.
