## From the President — Jane Bell

Despite our struggles with COVID during the year there have been many positives during 2021. The Foundation continues to look for ways to help Fulton Public Schools. Though class reunions were difficult to organize, the Foundation was still able to fund 10 classroom grants to teachers for the current school year. A complete list can be found on pages 4 and 5.

At the end of 2020 spring semester four scholarships were given by the Foundation to help graduating seniors continue their education.

After several cancellations because of COVID, the sixth annual Gala celebration took place on August 7. This event is a grand celebration of our schools, teachers, and alumni. Grant recipients and teachers were honored for their special services to students and the reunion classes of 1964, 1969, and 1999 were recognized. In addition, four people were inducted in the Alumni and Educator Hall of Fame. Read about these honorees on pages 10 and 11. All in all, it was a wonderful evening of celebration! Our seventh annual Gala is scheduled for April 2, 2022. Please plan to attend.

The Fulton Public Schools Foundation mission is to enhance the experience of students in our schools. We work hard to find ways and means to do just that. Donations from all of you make those contributions possible. All of our donors are important to the Foundation and Fulton Public Schools. Please consider making a donation to the Foundation before year's end.

Sincerely,

*Jane Bell*

President, Fulton Public Schools Foundation

## **Classroom Grants - Funding the Future**

10 Foundation grants are being funded during the 2021-2022 school year

### **Piano Anywhere!**

*Fulton High School*

Laurey Railton

Students in the Piano Lab course will earn basic skills of playing piano. This grant will provide portable roll-up keyboards for students to check out to take home. It will allow students without at home pianos to continue building their skills through additional practice.

### **Using PCR and Electrophoresis Gel for Classroom Instruction in Biology and Genetics**

*Fulton High School*

Liz Schwab and Casie Farmer

Students in three FHS science classes will earn about the biology of all living things. This project purchases equipment to expand genetic typing units in Biology and Genetics classes.

### **Active Learning with Future Innovators**

Continuation Grant (2<sup>nd</sup> Year)

*Fulton Early Childhood Center*

Shannon Forbis

This project will provide student materials needed to fully implement the HighScope Curriculum providing high quality hands-on learning experiences in a small group setting. Funds will replenish supplies for a gardening project and purchase new materials to expand student learning.

### **Learning with LEGOS**

*Bartley School*

Nikki Long and Sharon Wright

This project provides an educational LEGO set, including lessons and activities, to promote 4<sup>th</sup> grade students' fundamental STEM understanding of simple and powered machines, structures and mechanisms.

### **Ready for Kindergarten**

*Fulton Early Childhood Center*

Jen Meyerhoff, Director of the FECC

The Fulton Early Childhood Center facility/staff will obtain materials, supplies, and resources to help prepare Pre-K students for their upcoming kindergarten experience. This project will focus on the social and emotional development of Pre-K students.

### **Empty Bowl Fundraiser**

*Fulton High School*

Bee Brooks and Megan Davis

Students will create food-safe ceramic bowls in their FHS art classes. During the FHS Fine Arts Night, attendees may contribute \$10 for soup in their choice of these bowls. They may keep the bowl and the proceeds of the fundraiser will go to the local food bank.

### **Bush Bus Buddies**

*Bush School*

Whitney Eastwood, Debra Hunter  
and Kylie Lane

Kindergarten students will take field trips throughout the school year in the local community or surrounding communities. The field trips will vary from learning experiences to service learning projects that focus on giving back to others.

## Kinder Space

*Bush School*

Whitney Eastwood, Debra Hunter  
and Kylie Lane

This project will provide a Makerspace area in each kindergarten classroom. The area will incorporate engineering and crafting materials, STEM tasks, technology, robotics, and more. The hands-on experiences will be used for whole group, small group, and individual exploration.

## I-Pads in the Classroom

Continuation Grant (2nd Year)

*McIntire School*

Alison White, Michelle Moore

Students will have the opportunity to bring more creativity across the curriculum, along with helping the teacher formatively assess their learning. Students will be able to integrate, problem solve, and use collaboration skills more effectively. 2 additional classroom I-pads/cases to be purchased.

## Ed and Jean Avra Classroom History Grant:

**Exploring World War I**

*Fulton High School*

Rose Bethell

This cross-curricular experience will impact 65 sophomore students who are enrolled in World History Honors and English II Honors. Students will visit the World War I Museum and Memorial in Kansas City, MO. This field experience will help students better understand the impact of WWI on the course of history. Students will have the opportunity to interact with over 300,000 objects and documents promoting students' personal connections to history.

### Reunion gifts - Where does your money go?

Using donations wisely to enhance student learning is a key focus of the Foundation and classroom grants are a cornerstone program of our organization. Class reunion gifts help fund these grants. The classroom grant projects bring innovation, expanded learning opportunities, and unique learning experiences to Fulton Public School students. So far, through generous donations, the Foundation has funded in excess of 120 classroom grants totaling more than \$100,000.

Due to COVID, the Class of 1970 cancelled their 50th reunion last year. Unfortunately, they were also unable to meet in 2021. Their classmates mailed in their donations to the Foundation and contributed \$2,040 toward the Foundation's classroom grant project. Pictured: FPSF Executive Director, Kathy Richey Liddle, Mona Bartley '70 and Marilyn Whitehead '70.

Class of 1971 - 50th Class reunion raised \$110 to help fund the classroom grant program.

Class of 1996 - 25th Class Reunion raised \$1,410 for the Fulton Public Schools Foundation classroom grant project

The Foundation manages and funds several scholarships. These awards are given each spring. If you would like to donate to one of these scholarships or endow a new scholarship fund contact us for more information. Congratulations to the following students that received scholarships in May of 2021.

#### **The Sylvia K. Blattner Scholarship Award**

was established in 1962 by Curtis E. Blattner in memory of his wife, Sylvia, and has been awarded since that time. Students are selected who have a desire and ability to achieve a college degree, show good citizenship, and possess leadership skills. The Fulton Public Schools Foundation serves as the manager of these funds.

The 2021 recipient of the Sylvia K. Blattner Scholarship Award was Jack Winterbower. Jack is attending the University of Missouri - Columbia.

Jack Winterbower

Lilli Moreland

#### **The Jack Garner Memorial Music Scholarship**

was established upon the death of Jack Garner, a former Fulton High School music teacher, in 1986. The scholarship is for a graduating senior of the Fulton High school who declares an intention to study vocal music in College, including vocal music education. The Fulton Public Schools Foundation is pleased to serve as a manager of these funds.

The 2021 recipient of the Jack Garner Memorial Music Scholarship was Lilli Moreland. Lilli is attending the University of Missouri - Columbia.

#### **The Fulton Public Schools Foundation Scholarship**

is funded by the Fulton Public Schools Foundation. Requirements for this scholarship include attendance at an accredited college, university or technical school, have a minimum cumulative GPA of 2.5, and maintain a minimum of 90% attendance rate.

The 2021 Fulton Public Schools Foundation Alumni Scholarship recipients were Lima Sherzad and Kayanna Gaines. Lima is attending Missouri University in Columbia and Kayanna is attending Missouri Southern State University in Joplin.

Jean Avra

### **Ed and Jean Avra Classroom History Grant & Scholarship**

The Ed and Jean Avra Classroom History Grant & Scholarship was established upon the death of Eva Jean Avra. Recipients of the scholarship are to be graduating seniors of Fulton High School who announce an intention to enter the teaching profession and plan to attend a Missouri 4-year institution of higher education. The first funds will be distributed this spring.

In addition to the scholarship, the Avra Trust funds an annual classroom History Grant at the Fulton High School.

### **The Blattner Family Scholarship**

The Blattner family is funding a new scholarship to honor the contributions and services of the Blattner Family and specifically, of Howard Douglas Blattner, Sr. and Howard Douglas Blattner, Jr., to the school district through years of service to the Fulton Public Schools Board of Education and dedication to the Fulton Public Schools.

The annual profits from the Trust will fund annual scholarships in the names of Howard Douglas Blattner, Sr. and Howard Douglas Blattner, Jr.

The Blattner family has selected the Fulton Public Schools Foundation to serve as the trustee of these funds. The Foundation expects to begin awarding the Blattner Family scholarship within the next few years.

### **Scholarship Applications? Where and how to apply?**

Fulton High School seniors should check with their counselor's office to get applications for all scholarships available. Applications for the scholarships managed by the Fulton Public Schools Foundation will be available the first part of January 2022.

**On August 7, 2021 the Foundation Gala** was held at Westminster College. This event was one we had attempted to hold since 2020. Because of COVID the event was postponed several times. The following members of the Fulton Public Schools Foundation Alumni and Educator Hall of Fame were inducted. *Event photos can be found at: <http://fultonschoolsfoundation.org/the-gala-2021>*

Gene Hamilton

Judge Gene Hamilton, FHS '60, was inducted posthumously into the Alumni Hall of Fame at the Gala. In 1970 Judge Hamilton was appointed prosecutor by the Governor when he returned from serving in the Army. While serving as prosecutor he also was in private practice. He was elected in 1982 as 13th Judicial Circuit Judge. Throughout his career he was appointed by the MO Supreme Court to chair the Committee drafting Criminal Rules for the Court and recognized numerous times by the Missouri Bar and the Missouri Bar Association Foundation. Judge Hamilton retired in 2010. During his career he tried more than 500 cases.

The second Alumni Hall of Fame honoree was Bil Jackson. Even though Bil left Fulton High to attend Interlochen Arts Academy his senior year, the Class of 1977 claims him as one of their own. Bil has been acclaimed as one of the premier clarinetists of our time. He has long been featured as a soloist with numerous orchestras and chamber music festivals throughout the country. His career began with the Honolulu Symphony as principal clarinetist at age 19 and he was the only person to win the International Clarinet Competition twice. Bil recently retired as Associate Professor of Clarinet at the Blair School of Music at Vanderbilt University.

Bil Jackson

Carol Robertson

Carol Robertson was inducted into the Fulton Public Schools Foundation Educators Hall of Fame. Carol taught at the Fulton Public Schools for 30 years. At the high school she taught general and honors biology, chemistry, honors genetics and honors advanced biology. She was awarded Teacher of the Year for the Fulton 58 District and received the Outstanding Biology Teacher Award given by the National Association of Biology Teachers. Among the many awards and honors Carol has received, she received the highest award for science teachers in the country, the 2015 Presidential Award for Excellence in mathematics and Science Teaching (PAEMST) - the Missouri awardee for high school science.

Posthumously, Jack Garner was inducted in the Educator Hall of Fame. Mr. Garner was hired by the Fulton Public Schools at the beginning of the 1963 school year as the first full-time vocal music teacher. Jack started the Chamber Choir, known today as the Chamber Singers, in 1965. He taught music until the 1973-1974 school year. Upon his death, the Jack Garner Memorial Music Scholarship was formed in 1986 and the Foundation is pleased to serve as manager of these funds.

Jack Garner

Marjorie Castle

Miss Marjorie Castle began teaching at West School in 1923. In 1932 she received her Bachelor of Science degree in Education and life certificate to teach in the elementary school. She continued to teach 3rd, 4th and 6th grades until 1962. In 1962, after having devoted half-time to the principal's work for 19 years, she was assigned to full time principal at West School and then at McIntire. Miss Castle devoted her life to the students she taught and retired in 1966 after teaching and serving as Principal for 43 years. We were honored to posthumously induct her into the Foundation's Educator Hall of Fame.

## **From the Superintendent — Dr. Ty Crain**

It has been challenging times over the past couple of years for everyone, but Fulton Public Schools continues to look to the future. Proposition S passed in the summer of 2020 and continues to take shape across the district. This past summer all three elementary schools were equipped with secure entrances to increase safety for staff and students. Plumbing and electrical upgrades were completed and the parking lots at Bush and McIntire were resurfaced and improved. Over winter break, teams will begin to mobilize for the high school project scheduled for completion in May of 2023. This project will include upgrades in plumbing and electrical across the building, theater renovations with a new lobby, and a second gym with additional restrooms and administrative offices at the new entrance. Meanwhile, the design team is developing the plans for improvements at Fulton Middle School including a secure entrance, additional classrooms, plumbing, and electrical upgrades, along with a renovation of the pole barn. It is exciting to improve existing facilities while expanding for new and improved opportunities to better serve our students.

The Fulton Board of Education is working to finalize and adopt a new strategic plan. The plan will be utilized to guide the actions of administration and staff over the next five years with a focus on continuous improvement. As part of this work, the district has made a commitment to K-12 literacy with the adoption and alignment of core resources. Along with a significant financial commitment, teachers have been training throughout the school year to effectively implement new instructional strategies. We all know literacy is key to educational success.

Again, these are challenging times, but with the support of the community, families, and students, Fulton Public Schools continues to focus on tomorrow and success for all students. We are thankful for all of you that donate to the Fulton Public Schools Foundation. Your contributions benefit the teachers, the students and the District.

Beth Houf

### Fulton Middle School Principal named 2022 National Principal of the Year

Every year in October, the National Association of Secondary School Principals (NASSP) designates one National Principal of the Year during National Principals Month. This year Beth Houf, Fulton Middle School's principal, was chosen!

Beth Houf has been the principal for Fulton Middle School since 2015. In February 2021, the Missouri Association of Secondary School Principals selected Houf as the 2021-2022 Jim L. King Missouri Middle School Principal of the Year.

Houf is a co-author of the book "Lead Like a PIRATE: Make School Amazing for Your Students and Staff." She also serves as a facilitator for the Missouri Department of Elementary and Secondary Education Leadership Academy, providing monthly training to state educational leaders.

Congratulations to Beth Houf, the Fulton Middle School and the Fulton School District!

## SUPPORT THE FOUNDATION

Your donations are tax deductible to the extent allowed by law. More than that, your donations are used to help the children in the Fulton Public Schools receive a world class education. Your unrestricted donation will be of great benefit as we are able to direct it to the area of greatest current need.

Our Classroom Grant program is an area where your donation can always have a significant impact. Donors are always welcome to designate their gift for the school, program or project of their choice.

The FPS Foundation is a 501(c)(3) foundation and tax-receipts are issued for all gifts.
